

Object Study

Study your group's object carefully.

Try to answer as many questions as possible.

Draw your object in the frame

1. Is it an artifact, a replica, fossil or a document?

2. Where was it made?

3. Of what is it made?

4. Is it a complete object, or part of one?

5. Is it old or new?

6. Is it fragile or strong?

7. What shapes do you see?

8. Is it an exact copy or a model of the real object? _____

9. Who made the real object? _____

10. What purpose did the real object serve? _____

11. Has the real object changed over time? _____

12. Does it remind you of anything? _____

13. How does it teach you about the past? _____

14. Where can you find out more about it? _____
