The Division of Social Sciences and Life Skills announces the 2012 Voter Registration Program.

-
- One of the most important goals of the District is to prepare students to be good citizens. A key aspect of citizenship is participation in the electoral process. Since 1972, eligible Miami-Dade County Public Schools' students have been registered to vote in Social Studies classes.
 - This year, the state of Florida has implemented new Voter Registration laws that have required the District to revamp our previous program. **All schools will be notified of the changes concerning procedures for the new Voter Registration Program.**
 - At this time, we are asking schools **not to contact** the **Supervisor of Elections Office, Third Party Organizations**, or to utilize any **registering agents/organizations outside of the M-DCPS' Voter Registration Program.**
 - It is our desire to continue the M-DCPS' Voter Registration Program and to exceed our goal of registering approximately 13,000 students in 2010-2011.
 - To date, we have registered 311,000 students since 1972 and this would not be possible without your school's support.
 - If you have any additional questions or concerns, please contact the Division of Social Sciences and Life Skills office at 305-995-1982.
