To provide schools with instructional resources to support the commemoration of Haitian Heritage Month, May 2016.

- Haitian Heritage Month is celebrated each May. This occasion gives our diverse community the opportunity to recognize and celebrate the many historic, social, and cultural contributions of Haitians to our community, nation, and world.
 - To assist teachers, staff in the Department of Social Sciences has developed elementary and secondary instructional resource guides to support Haitian Heritage Month. The guides include background information, detailed lesson plans, Internet resources, and other activities to support the character education core value for May (i.e., integrity).
 - Below please find the links to the elementary and secondary instructional resources compiled to support Haitian Heritage Month. Please feel free to download and duplicate these, as needed. In addition, these resources are posted on the Department of Social Sciences' website: <http://socialsciences.dadeschools.net> under current news in the file titled "Instructional Packets."
