To provide the updated District course codes to be used in the 6th grade World History course for the 2012-2013 academic year.

- Beginning academic year 2012-2013, the following **District** course codes should be used for 6th grade social studies:
 - **210901001 – M/J World History** (1.0 credit, Regular placement)
 - **2109010RC – M/J World History (M/J Course Credit Recovery)** (1.0 credit, Regular placement)
 - **210902002 – M/J World History, Advanced** (1.0 credit, Honors placement)
 - **210902003 – M/J World History, Advanced, Gifted** (1.0 credit, Honors placement)
 - **These course codes are now activated and ready for use.**
 - **6th grade World Geography will NO LONGER be the required course for 6th grade social studies.**
 - The new course titled World History emphasizes World History, specifically from the time span of early humans up through and including the Middle Ages.
 - The Division of Social Sciences and Life Skills will be posting new pacing guides to support the transition to the new course; target publishing date: April 2012.
 - The new course still requires the teaching of geography skills, which is done by embedding these skills into the study of World History.
 - Attached are the Next Generation Sunshine State Standards for 6th grade World History as a reference for teachers to begin to plan for the upcoming academic year.
