May is designated each year as Asian Pacific American Heritage Month, a celebration of Asians and Pacific Islanders in the United States.

-
- Asian Pacific American Heritage Month gives our diverse community an opportunity to recognize and celebrate the history, culture, and contributions of Asians, Asian-Americans, Pacific islanders and their decedents.
 - During May and throughout the school year, all schools are encouraged to provide appropriate learning activities to help students become aware of and celebrate the many historical, cultural, social, and economic achievements of Asian and Pacific Islanders during May and throughout the school year.
 - The Division of Academics, Department of Social Sciences has created an instructional resource packet to assist schools in recognizing this month-long celebration.
 - Below please find the link to the instructional resource packet for elementary and secondary lessons and a brief list of additional Internet resources. Please feel free to download and duplicate as needed.
