To inform schools that they are encouraged to plan appropriate classroom activities prior to the Monday, January 20, 2020 federal holiday commemorating the life and contributions of Dr. Martin Luther King, Jr.

- The Division of Academics, Department of Social Sciences has developed elementary and secondary instructional resource guides to provide teachers with classroom lessons and resources commemorating the life and contributions of Dr. Martin Luther King, Jr.
- Additionally, a brief PowerPoint has been created that can be used by schools and teachers to further commemorate the legacy of Dr. King.
- It is highly suggested that teachers emphasize to students the opportunity to participate in community service efforts during this “National Day of Service.” In addition, teachers should research with students what events are taking place in their respective communities to honor Dr. King’s legacy and encourage students to participate accordingly.
- To access the Dr. Martin Luther King Jr. Day Instructional Resources and PowerPoint Presentation, please log into the employee portal, click on the “Curriculum Resources” tab, find the yellow “Special Commemorative Resources” tab and then you will see the folder titled “Dr. Martin Luther King Jr.”
