To announce the Miami-Dade Commission on Ethics and Public Trusts Ethical Governance Day Activities.

- The Miami-Dade Commission on Ethics and Public Trust and The School Board of Miami-Dade County, Florida have passed resolutions endorsing Ethical Governance Day on October 22, 2015.
- This event will put hundreds of volunteers into Miami-Dade Senior High School classrooms to speak on the importance of civic participation as an avenue to promoting more ethical government at all levels.
- This event will be a wonderful opportunity for students to speak to community leaders regarding the importance that ethics and ethical decision making play in their life.
- Public officials, civic leaders, attorneys with significant civic involvement or government experience, and other community leaders will join in this community conversation by sharing their knowledge and insight with the next generation of voters.
- It is the goal of this initiative that all Senior High School Government/Economics classes receive a guest speaker on this day.
- **Schools are asked to provide two contact persons and other logistical information regarding the 12<sup>th</sup> grade Government/Economics teachers.**
