To announce the availability of virtual support groups through MyBigCampus for 7th grade Civics and 9th grade World History teachers.

- The Department of Social Sciences recognizes the value of teachers helping other teachers share best practices and answer each other's questions. This is especially relevant and true concerning digital transformation of teaching and learning as we all become more comfortable using mobile devices to improve student knowledge, skills, and increase student engagement.
- The Department of Social Sciences has created MyBigCampus groups- a virtual place where 7th grade Civics teachers and 9th grade World History teachers can discuss and learn as we journey through this transition.
- Please see the steps outlined in the attached documents in order to join the group appropriate for your teaching assignment.
- **Principals are HIGHLY encouraged to join the groups as well in order to monitor discussions and digital transformation occurring in their schools.**
- If you need further information or have questions, please contact Mr. Robert C. Brazofsky, Executive Director, Department of Social Sciences, rbrazofsky@dadeschools.net, or Dr. Sherrilyn Scott, Supervisor, Department of Social Sciences, sherrilynsconfig@dadeschools.net, or see the contact information below.
