To announce digital device training for 7th grade Civics and 9th grade World History teachers.

- The Department of Social Sciences is offering training for 7th grade Civics and 9th grade World History teachers on how to improve classroom instruction by using digital devices and instructional technology resources available to them.
- These sessions are designed to transform the social studies teacher into being comfortable using technology and digital devices to increase student academic achievement.
- Sessions participants will be divided into two separate groups: Group A will be receiving BASIC training on the HP900/1000 mobile device and Group B will be receiving training on MyBigCampus and Discovery Education learning resources and best practices.
- **Principals are HIGHLY encouraged to identify 7th grade Civics or 9th grade World History teachers who require BASIC training on mobile device and digital teaching and learning in order to maximize DAILY use of instructional technology resources now available and REQUIRE these identified teachers to attend this training.**
- **Substitute funding information will be forwarded to participants once the registration process is complete.**
