To announce the availability of a Senior High School U.S. History Summer Instructional Packet for students registered to take a regular/honors U.S. History course during the 2013-2014 school year.

- 
- The Department of Social Sciences has developed a Senior High School U.S. History Summer Instructional Packet for students registered to take a regular/honors Senior High School U.S. History course during the 2013-14 school year.
  - The purpose of the attached packet is to introduce important U.S. History concepts to students taking 11<sup>th</sup> grade U.S. History during the 2013-14 school year in an effort to assist schools in preparing students for the U.S. History End of Course Exam that will be administered in the Spring of 2014.
  - The U.S. History End of Course Baseline Exam will be a required assessment for students registered in any of the above referenced courses.
  - Use of the U.S. History Summer Instructional Packet is completely voluntary; however, it is highly encouraged.
  - Use of the U.S. History Summer Instructional Packet for grading/assessment purposes for students' course grades in the 2013-14 school year is also completely voluntary; however, it is highly encouraged.
  - The Department of Social Sciences will publish a separate answer key to the packet prior to the beginning of the 2013-14 academic year via weekly briefing.
  - Schools are encouraged to post the U.S. History Summer Instructional Packet on their school's websites and/or distribute copies to future 11<sup>th</sup> grade students before the end of the 2012-2013 school year.
