Category:

Audience: All Principals/APS

Due Date: n/a

Meeting Date: n/a

Curriculum and Instruction, Social Sciences, announces the launching of its new website. Principals are asked to forward this briefing to all teachers.

-
- Curriculum and Instruction, Social Sciences, announces the launching of our new website.
 - From this new website, you can access the most recent Weekly Briefings once they have been posted on the District's Weekly Briefing Communication System; download the most recent curricular documents produced by Curriculum and Instruction, Social Sciences; find instructional support for enhancing pedagogical practices in social sciences; find information about grants that are managed and providing services to teachers and students in the District; and locate additional curricular information useful to teachers.
 - Please note that the new site is a work in progress and will evolve and improve over time.
 - Click on the link below to access the site and see what is new.
