The Division of Social Sciences and Life Skills has forwarded information to senior high school social studies department chairpersons regarding The School Board requirement for registering high school students to vote.

- 
- Student voter registration materials were mailed to senior high schools throughout the month of February to the attention of the Social Studies Department Chairpersons. Principals should check with their Social Studies Department Chairpersons to ensure that the materials were received and that the student voter registration is taking place. The process should be completed by March, 19, 2010.
  - **\* I M P O R T A N T\*** Due to the slow nature of school mail delivery, many schools did not receive their voter registration materials in time to complete the Voter Registration Contact online form by February 10, 2010. If schools have not completed this process, please do so. Completing this form helps the Division of Social Sciences and Life Skills provide follow up communication.
  - **The Voter Registration Contact Person** form is available at <http://socialsciences.dadeschools.net/votercontacts.asp>
  - **The Voter Registration School Report form** is available at <http://socialsciences.dadeschools.net/votes.asp> and is to be filled out at the completion of your schools voter registration drive, on or before, **Friday, March 19, 2010**. This online reporting system is new for the 2009 – 2010 school year.
  - The voter registration results of all senior high schools will be reported to the School Board.
