To provide schools with information about the engaging and high-quality instructional resources provided by the U.S. Census Bureau to support student awareness and knowledge of Census 2020.

- The Division of Academics, Department of Social Sciences is pleased to provide schools with information about the engaging and high-quality instructional resources provided by the U.S. Census Bureau to support student awareness and knowledge of Census 2020.
- To view an overview video about the purpose and importance of the U.S. Census 2020, click HERE.
- The U.S. Census Bureau has created a plethora of instructional resources for the 2019-2020 school year that highlight the 2020 Census and the importance of making sure everyone is counted in the upcoming U.S. Census.
- To access the activities and lessons created for K-12, click HERE. It should be noted that there are lesson plans and activities for all grade levels and within the following subjects: Math, History/Social Studies, Geography, Sociology, and English. There are also lessons for Pre-K, English Language Learners, and Adult English Language Learners.
- To access important dates concerning Census 2020, click HERE.
- Teachers are highly encouraged to include lessons during their regular instruction regarding the U.S. Census 2020 before April 1, 2020- which is U.S. Census Day.
- In addition to the instructional resources provided by the U.S. Census Bureau, the Department of Social Sciences has created an overview PowerPoint that can be used during opening of school exercises or during regular class instruction as well as compiled a list of suggested school-wide or classroom activities to increase student awareness and understanding of U.S. Census 2020. These resources can be accessed by logging into the employee portal, clicking on the “Curriculum Resources” tab, then the yellow “Special Commemorative Resources” tab and find the folder titled: “U.S. Census 2020.”
