To inform all schools that the Department of Social Sciences has created instructional guides to assist teachers with lessons honoring our nation’s veterans.

- Annually, the United States honors the men and women who have served and are serving in the Armed Forces on November 11.
- The Division of Academics, Department of Social Sciences has developed separate instructional resource guides for elementary and secondary teachers to assist them in providing instruction for Veterans Day: November 11, 2019.
- The instructional resource guides include background information, full lesson plans and activities, suggested Internet resources, and other activities to support the character education core value for November (citizenship). Also available is a PowerPoint presentation that may be utilized to honor our nation’s Veterans. The PowerPoint may be used during school-wide opening exercises or in individual classrooms.
- To access the resource guides and Veterans Day PowerPoint, go to the employee portal, click on the “Curriculum Resources” tile and find the tab titled “Special Commemorative Resources.” Then, find the subfolder titled “Veterans Day.”
- In addition, schools are reminded to properly display the U.S. Flag and the proper method to fold the U.S. Flag. Click HERE for flag displaying guidelines and click HERE for instructions on how to fold the U.S. Flag.
- Should you have questions about these resources or need additional information, please contact Mr. Robert C. Brazofsky, Executive Director, Department of Social Sciences, at rbrazofsky@dadeschools.net, or see the contact information below.
