

Literacy Tools That Help You Meet State Standards

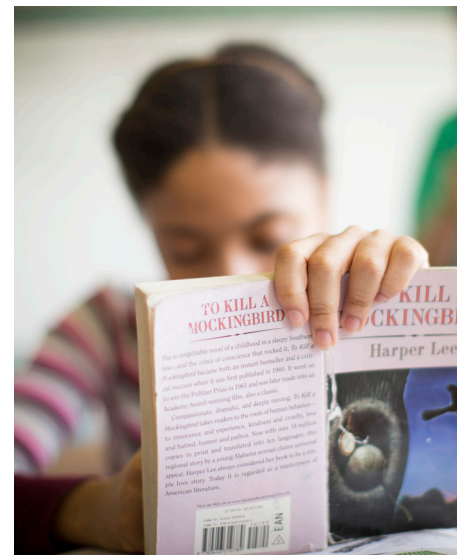

We offer educators resources and publications that help meet College and Career Readiness Standards. These resources emphasize close reading and critical analysis of challenging texts, and the development of critical thinking, writing, and speaking skills.

Go to facinghistory.org/commoncore to find:

- close reading protocol
- close viewing protocol
- socratic seminar protocol
- argumentative writing prompts and strategies

And hosted by Literacy Design Collaborative at coretools ldc.org
