

8. Adjusting Reading Level for Entire Class

This guide provides the steps to changing the reading level of the online student edition for an entire class.

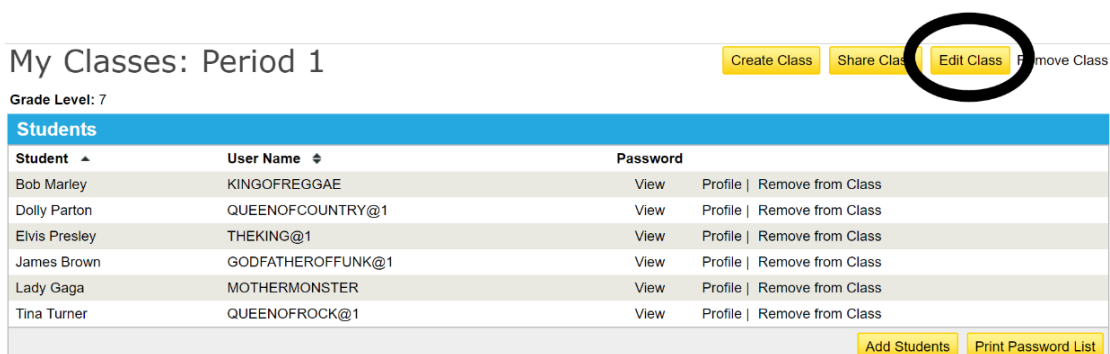

1. Click the **Manage & Assign** tab.

2. Click **My Classes**. From the drop-down menu select the class you wish to view students.

3. Click **Edit Class**.

4. Adjust the reading level for every student in the class by clicking on the drop-down menu Under **Teaching Level**, choose the desired level and click **Save**.
