

## 10. Viewing Student Digital Assignments

This guide provides the steps for viewing and commenting on student's digital assignments.

1. Click the **Manage & Assign** tab.

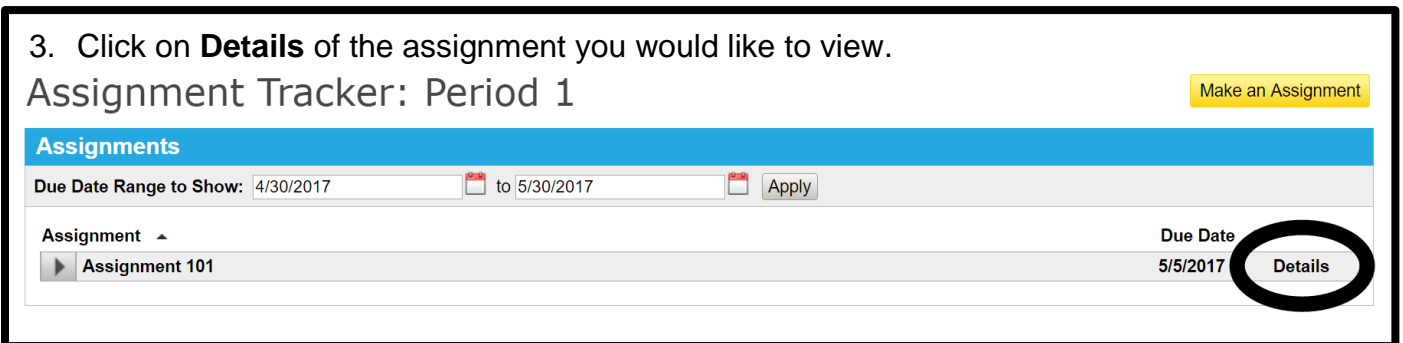

2. Click **Assignment Tracker**.

3. Click on **Details** of the assignment you would like to view.

### Assignment Tracker: Period 1

[Make an Assignment](#)

4. Listed will be all the students who were assigned the assignment. In the row for each student, you will see the date the assignment was submitted, any files the student attached to the assignment, and a speech bubble icon indicating if you made any comments on the student's work. Click **Details** to see the student's work.

Students				
Student	Submitted	Uploaded Files	Comments	
Bob Marley	5/2/2017	—	🗨️	<a href="#">Details</a>
Dolly Parton	—	—		<a href="#">Details</a>
Elvis Presley	—	—		<a href="#">Details</a>
James Brown	—	—		<a href="#">Details</a>
Lady Gaga	5/2/2017	—	🗨️	<a href="#">Details</a>
Tina Turner	5/2/2017	—		<a href="#">Details</a>

5. You can view the student's assignments which will vary depending on the type of assignment given.

6. If the teacher assigned questions from the online text, teachers will see the question, the student response, and the suggested answers. Teachers can leave comments in the Comment section including the student's grade if desired.
