

# 11. Locating Lesson Plans

This guide provides the steps for finding lesson plans and answer keys.

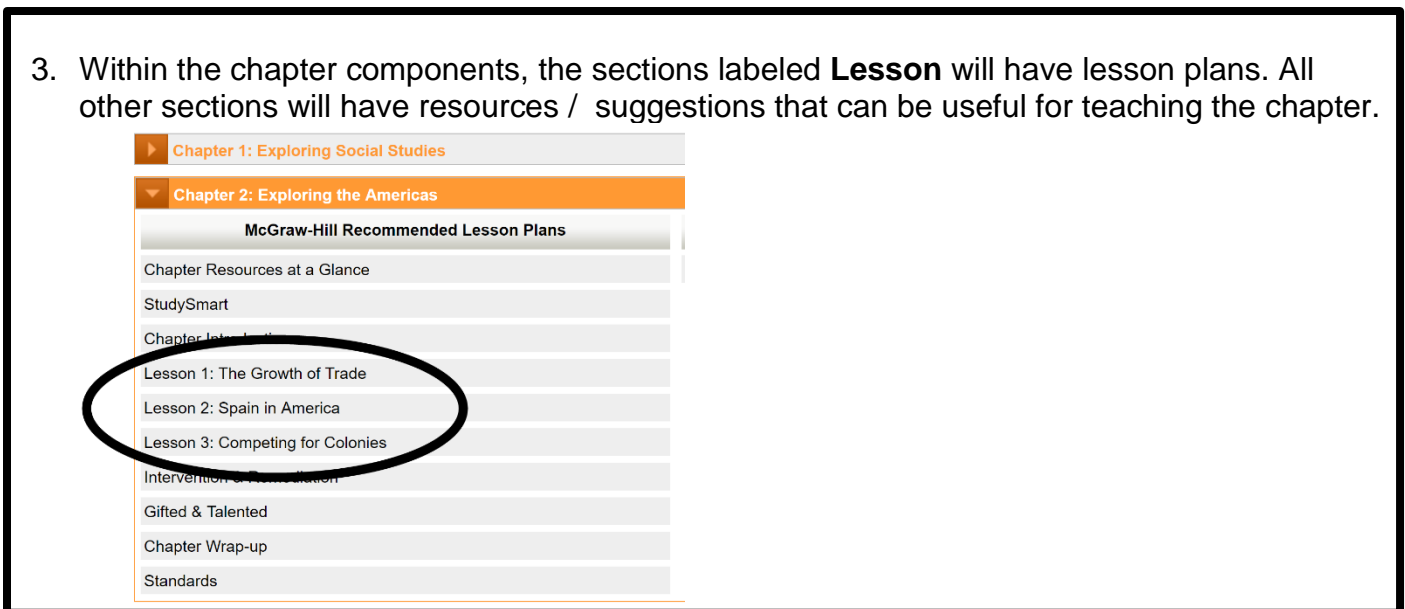

1. Click the **Lesson Plans** tab.

2. Click on the desired chapter to view McGraw-Hill Recommended Lesson Plans and any Teacher Customized Lesson Plans.

3. Within the chapter components, the sections labeled **Lesson** will have lesson plans. All other sections will have resources / suggestions that can be useful for teaching the chapter.

4. The section titled **Chapter Resources at a Glance** contains all the resources that can be used for a chapter as well as resources specific to every lesson. Teachers will also find Answer Keys to all worksheets in **Chapter Resources at a Glance**.
