

## 18. Filtering Questions by Standard

### Overview

This guide provides the steps for filtering McGraw-Hill created questions by standard and placing them on a teacher made test.

### Create a New Assessment

To create a test with McGraw-Hill questions on specific standards, a teacher must first create an empty test.

1. Click the **Assess** tab.

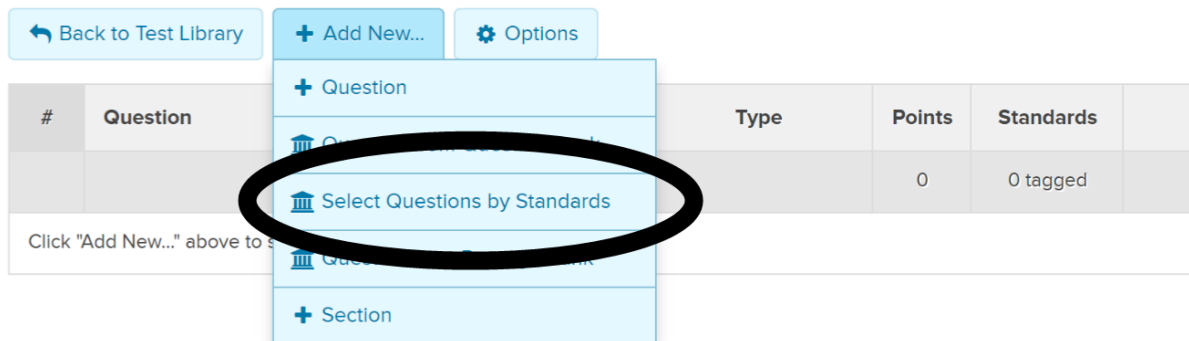

2. On the **Assigned Test** tab, click **New Test**.

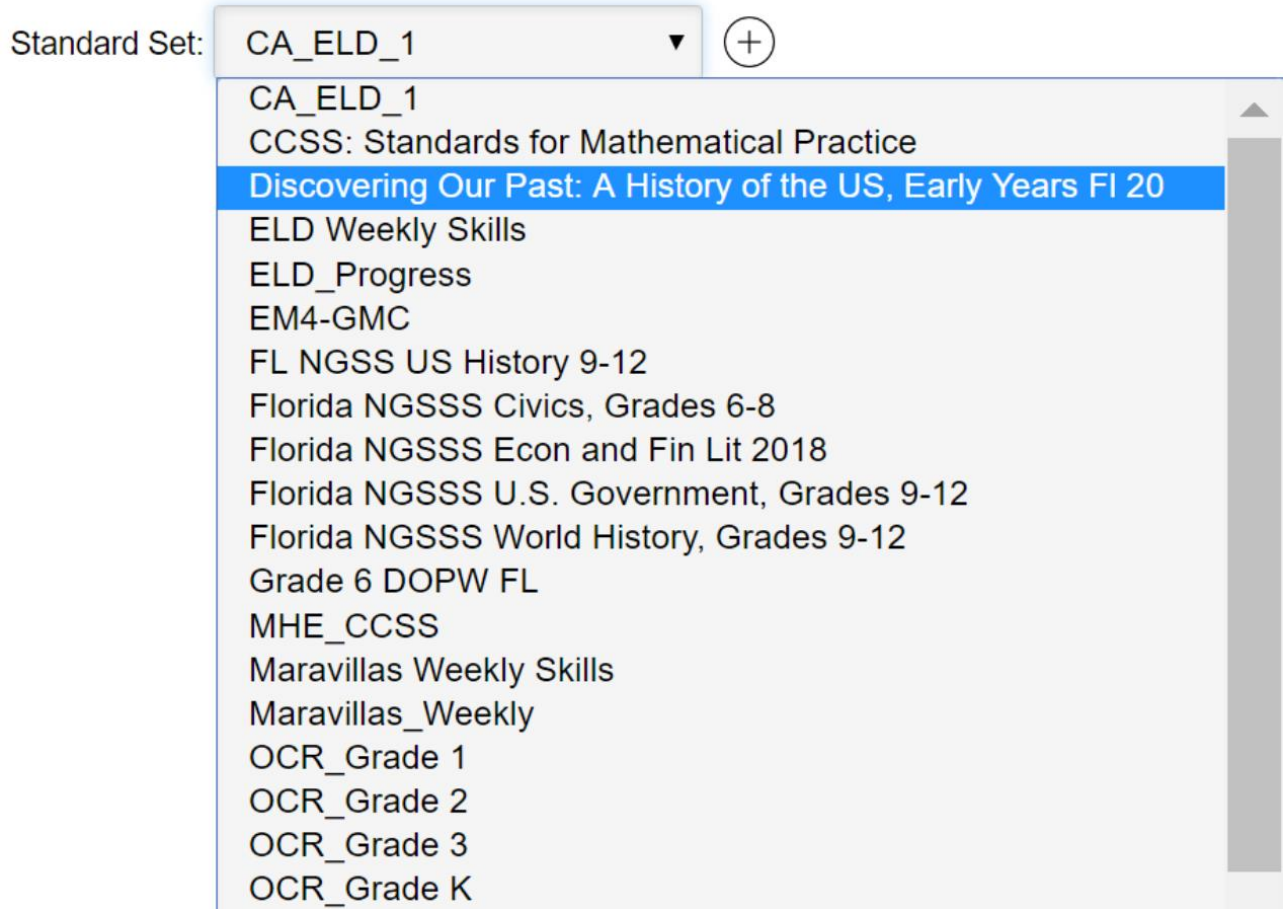

3. Give the test a **Title** and choose any other options you would like to add. Click **Submit** when finished.

4. Hover over **Add New** and click **Select Questions by Standard**.

5. Click Dropdown Menu and select the title of the text book from which you want to see standards.

6. Click the triangle next to standard heading to open the Standard(s).  
Teacher may drill down through the Standard(s) as far as desired before clicking on empty box of the specific Standard(s) they wish to see correlated questions. When all Standards have been selected, click **Submit**.
