

Pearson Florida Economics 2018

Program Activation

DESCRIPTION

This session is designed to provide teachers with the critical program components they need to ensure success on Day 1 in the classroom, including print and digital features of the program. Program Activation alone does not ensure implementation fidelity, but it will provide teachers with the tools needed to get started.

SESSION OBJECTIVES

Participants will:

- Identify the main program components
- Understand how key program features fit into classroom instruction
- Identify key components of a typical lesson
- Identify key planning resources to utilize when preparing for instruction
- Identify program features that help teachers address academic standards
- Identify resources that support differentiated instruction
- Identify the key assessment and progress monitoring features that are included in the program
- Apply information learned during this session to plan for instruction
