PORTFOLIO CRITERIA CHECKLIST – OVERALL PORTFOLIO

- **Persuasiveness**
  - Does your portfolio give ample evidence that your selected problem is important?
  - Does your proposed policy address the problem directly?
  - Does your portfolio explain how you might gain public support for the proposed policy?

- **Practicality**
  - Is your proposed policy practical and realistic?
  - Is your plan for gaining support for your proposed policy realistic?

- **Coordination**
  - Does each of the four parts of your display portfolio relate to the others without repeating information?
  - Does the documentation section of your portfolio provide evidence to support your display portfolio?

- **Reflection**
  - Does the section where you reflect on and evaluate the development of your portfolio demonstrate that you have thought carefully about your experience?
  - Do you demonstrate what you have learned from the portfolio development experience?
